MAKE A GIANT IMPRESSION

## Giant Hat Kata Tipi

An increasingly popular feature in the coolest Events, Venues & Festivals, the Giant Hat Kata largest Tipi in our range, with a capacity for 70 people seated & 120 standing. The unique design allows it's sides to be raised, but also allows as many Tipis as you desire to be joined together.

### Built to last

Designed & built to withstand the rigours of the Event industry, our Tipis are made with the latest Waterproof, Fire Retardant fabrics & materials.

### Felxible

The unique design allows the Tipis sides to be raised and also to link with other Tipis, both large and small to create stunning larger event spaces. Combine them with our accessories, including our Clear Wall System or Wooden Doors for the ultimate flexible event solution

### Made in the UK

Our canvas is beautifully stitched in the Peak District and our poles hand selected from sustainable forests in the South East of England.

Quality without compromise

KATA TIPIS

## STRUCTURE

Our Tipis are constructed using Fire Retardant & Fully Waterproof Campshield Canvas by Tencate Outdoor Fabrics, with tough Cordura Mud Skirts. We only use the best Stainless D-rings, fittings and bulletproof zips, so your Tipi can withstand the rigours of the Event industry. All our metal fixings, both on the poles and all the ground stakes provided are zinc plated. Ensuring they remain rust free for the life of the tipi. Our tipis have been structurally tested in all their configurations to meet the British standard for temporary structures BS EN1782

THE GIANTS HAT'S LITTLE BROTHER

## Midi Hat Kata Tipi

Taking the unique design elements of the Giant Hat Kata, the Midi Hat Kata's design allows for the sides to be raised, but it also allows as many tipis as you desire to be joined together, Midi to Giant, Midi to Midi etc, Arc & triangle combinations.

## Reduced Install Time

The little brother to the Giant Kata, The Midi Hat Kata has been reduced in size to make the majority of tasks a one, as opposed to a two-man role. This significantly reduces the install time, saving on your biggest cost....labour.

## Flexible & Intimate Space

The Midi Hat has all the functionality of its bigger brother, but also provides a more intimate & space. Link to a Giant Hat or link to other Midi-Hats, our link is much simpler, neater and quicker than linking other "chill out" tipis. It also allows both tipis to have a lifted entrance and exit.

## Quality Craftsmanship

Our canvas is beautifully stitched in the Peak District and our poles hand selected from sustainable forests in the South East of England.

## BUSINESS SUPPORT

We offer *extensive* business support for you and your rental/event business.

## GETTING STARTED

## Business plan &amp; financial support

Kata Tipis founder is also a chartered accountant (Sssh! Don't tell anyone). We, therefore, have a wealth of experience on all things business-related.

We can advise on the most tax-efficient way to set up and run your business, help to manage cash flow, and dealing with admin issues such as VAT registration.

We have built numerous return on investment models designed for your specific needs... whether it setting up a venue, or a standard Rental Business Profit and Loss.

We have standard business plans for you to utilise should you be looking to finance your investment or raise funds for your venture.

## GETTING STARTED

## Planning &amp; Infrastructure

We understand that navigating the myriad of planning policies & frameworks can be infuriating! With local policies differing across the country, many customers give up rather than try and secure the relevant consents for a Tipi on their property. We have helped many people on their journey, with advice on when or not a Tipi can be erected, for how long and under which circumstances. We can advise on the potential roadblocks in your way from noise, visual impact and more. Where more detailed help is required, we have a network of experienced planning consultants experienced in Tipi projects who can help.

## LAUNCHING YOUR BUSINESS

## Launching a Tipi Rental or Venue Hire business

You may be thinking about a new venture renting Tipis for hire, an experienced rental business that wants to add Tipis to your portfolio, or a venue that would like to feature Tipis, we can help.

We have a plethora of documents & forms available to you from contract templates to T&Cs, to give you a kick start in your business. We can help you understand the essentials to start your business with to how much you should charge and how to market your business in the new 'social' world. Alongside our trusted contacts providing bespoke asset finance & insurance, we also have the first-hand experience of starting a rental business & multiple venues. Our knowledge is openly shared with our customers, your success is our success.

## LOOKING AFTER YOUR TIPI

## Installing &amp; maintaining your tipi

Our in house team at Kata Tipis has an unparalleled level of experience in training/installing Tipis. With over 3000 Tipi Install experience within the team, we can help you get to grips with Tipis quickly & safely. For rental businesses we can help you with the speed & efficiency of your operation, saving you time & money, ensuring you maximise your profit from the start. Our team will also provide you with hints & tips on not only how best to erect & link the Tipis with utmost safety, but also how to care for your product & equipment to give them the longest life span. We offer training on your site or training at our Head Quarters. We can also provide refresher courses if and when you have a new team at the start of each season. We also have a unique training system, which is delivered via an interactive tablet device with instructional videos showing how to erect, dismantle & link your Tipis.

## PROMOTING YOUR BUSINESS

## Marketing asset

With any Kata Tipis purchase, we will provide you with a Media Pack, containing hundreds of interior & exterior photographs, videos and a floor planning tool (branded with your own company logo) to help you kick start your tipi venture from day one. We will also provide you with a 360 degree VR Tipi tour to embed within your own website, to give your customers an immersive experience of a tipi event.

## SUPPORT

## On-going support and a helping hand

The team behind Kata Tipis has over 50 years' experience in their respective fields.

At Kata Tipis we are looking to create long-term partnerships with our customers. When you buy from us you aren't just buying a tipi, you are contributing to supporting local UK suppliers. These suppliers support numerous businesses and families across the UK.

We know, as our customers, you expect and demand quality.

We have ensured that the product we developed and supply is equal to those expectations.

The Kata promise is that we will be open and share our knowledge & insight, whether specific to Tipis or you need some advice on setting up your business.

Whatever your Tipi journey, we will support you along the way, no matter what.

That is our Support promise.

## Our Support Promise

What else is included in the Kata Tipi's 'Support Promise' package?

### 24/7 Telephone support

We never close! We always have someone on standby to answer your questions for anything tipi or business-related.

### On-site consultancy

One of the team will come and provide on-site training of how to safely construct your tipis and/or advise you on the viability of your tipi venue site and plans.

### Tablet tipi training

Comprehensive training of how to erect, dismantle and link your tipis in an interactive tablet. Take it to each job and refer back to the technical details of how to safely put up your tipi structures

### Sub-hire of tipis and accessories

We hold a stock of tipis and accessories that we are able to sub-hire to you at a heavily discounted price, to ensure you don't miss out on bookings that require more hardware than you have!

### Trusted network

Utilise our contacts of accountants, planners, insurance and finance specialists. They understand your business, trust our products and can help ease the burden of running a successful business

## ACCESSORIES

It's all about the finishing touches that make your tipi space truly *wonderful*.

### WOODEN TABLES & BENCHES

£300 / £100

Our collapsible trestle tables and benches made from Scandinavian spruce, selected for its beautiful grain and hard-wearing properties. Stackable and built to last.

### WOODEN DOOR SET

FROM £2,800

A stunning entrance to wow your customers. Double doors complete with solid perspex windows, inclusive of blanking panels and straps. The doors not only increase the usable space, but also keep the elements out.

### WOODEN DOOR SIDE DOOR

FROM £1,900

Side Door - Use as the main entrance / exit through the zip door of your tipi to create a weather tight space. We can also fit fire exit doors should you venue require it.

### WALL SYSTEM

FROM £1,295

Each Clear PVC Panel has multiple zip sections so you can easily roll and secure the panels in fine weather. Like our Tipis, it is a modular system so you can add panels whether you have 1 or 9 sides raised.

### BARS

FROM £1,200

A bespoke, rustic bar with a difference. Collapsible, making it easy to transport and set up.

Includes adjustable shelving as well as LED under lighting to highlight the unique natural wood grain. A must for any tipi event.

### FIRE PITS

FROM £895

The centrepiece of any tipi event. Perfect to create a magical ambience. Our fire pits are split in two, meaning they can be used at a low level or hip height. They are easy to install and lightweight, making them easy to move from event to event. Add the bioethanol burner for a totally smoke-free flame

# All of our Tipis are created by *expert* craftsmanship

Our skilled craftsmen belong to the 'Guild of Master Craftsmen'. They have over 40 combined years of experience in their respective fields. We insist the materials which go into making our tipis are sourced locally from the UK and are of the highest quality. Each tree used to make our poles is selected as part of a sustainable forest management plan approved by the Forestry Commission; this has to meet the criteria set by FSC (Forestry Stewardship Council) where all woodlands are replanted after felling.
